

ELIGIBILITY FOR ENTRIES

- I. This competition is open to students enrolled in a collegiate-level design program (undergraduate or graduate) anywhere in the world, and who has already won an award at a National or Regional Student Packaging Design Competition among same level students.
Students from countries without a national packaging body can enter through a national student competition, which is recognized by WPO, or another WPO member organization
- II. All projects entered, must have been designed/ completed not before 2008–2009 academic year.(2007-2008 and older not accepted)
- III. Applicants who have graduated within 2008, or fulfilling the conditions of the national student competition organizing institution, to be eligible as a student, will be accepted as students.
- IV. All entry forms must include a photocopy of a current, official student I.D. to verify the student status of entrant.
- V. Each entrant may send more than one project, which is fulfilling first and other rules.
- VI. Entries of groups will be accepted. However only group leader's / representative's expenses will be covered for the award ceremony invitation. Other group members expenses may be covered partially.
- VII. All forms and other documentation (including project explanations) must be in English.
- VIII. Entrants grant the organizers the right to reproduce their work in their printed and virtualelectronic publications, as well as their web sites for the promotion of this competition and the organizers. IX. PACKTEC and WPO assume all entries are original and are the works and/or property of the entrant/s with all rights granted therein. The organizers PACKTEC and WPO are not liable for any copyright infringement on the part of the entrant. Entries with missing "declaration of originality", will not be evaluated. The "declaration of originality" forms should be endorsed by the student competition organizing national institution.
