

JOIN US IN PROMOTING PACKAGING ON A GLOBAL SCALE

*"Better Quality
of life through
Better Packaging
for more people"*

WPO promotes the global development of packaging technology, science, engineering and design, providing a forum for furthering the effectiveness of packaging.

WPO takes an active leadership role in addressing current industry issues in order to meet the needs of the global packaging community. The WPO network consists of packaging institutes and associations in almost 50 countries, representing more than 6000 companies.

WPO is focused on packaging related issues such as:

- Sustainability
- Resource optimisation
- Food safety and preservation

WPO activities include:

- Organising the WorldStar and WorldStar Student Packaging Awards competitions
- Advancing global packaging education and training
- Encouraging the stimulation of international cooperation and trade
- Facilitating communications among packaging institutes around the world
